

Extraordinary business

Report by Board of Directors on item no. 2 on the agenda

Authorization to the Board of Directors pursuant to Article 2443 of the Italian Civil Code to increase the Company's share capital free of charge through the issue of up to 3 million ordinary shares to be reserved to Mediobanca Group employees who are recipients of the Long-Term Incentive Plan 2023-26 included as item no. 5 d) on the agenda as ordinary business; Article 4 of the company's Articles of Association to be amended accordingly and related resolution.

Dear shareholders,

The Board of Directors has adopted a resolution to submit to your approval, as ordinary business under item no. 5 d) on the agenda, the Long-Term Incentive Plan 2023-26 based on financial instruments related to the achievement of the targets set as part of the 2023-26 Strategic Plan unveiled on 24 May 2023 and reserved for selected Mediobanca Group staff. For further information on the Plan, reference is made to the Board of Directors' report under the foregoing item on the agenda.

In order to execute the Plan, we have called you together to approve, as extraordinary business, the proposal to authorize the Board of Directors, pursuant to Article 2443 of the Italian Civil Code, to increase the company's share capital free of charge by a maximum of up to 3 million ordinary shares, in one or more tranches, by and no later than 28 October 2028, pursuant to Article 2349 of the Italian Civil Code and the related amendments to the company's Articles of Association. If the proposed authorization is exercised in full, the newly-issued shares would come to represent 0.35% of the existing company share capital.

The capital increase will be implemented through the use of profits or profit reserves as stated in the most recent financial statements approved from time to time, and the Board of Directors will proceed to identify the profits or profit reserves to be used for this purpose. We would remind you that the Articles in force contain a general provision regarding the right to allocate profits, pursuant to Article 2349 of the Italian Civil Code, to employees of the company or of the Group Legal Entities.

Having regard to the Board's right to buy back and cancel treasury shares under the authorizations granted by shareholders in Annual General Meeting referred to under item no. 4 of the agenda as ordinary business and item no. 1 of the agenda as extraordinary business, the share capital will be increased by an amount equal to the book value of the

shares issued at the time when such authorization is exercised, if appropriate, without prejudice to the maximum number of shares that can be issued under the authorization submitted to your approval.

The ordinary shares that will be issued in implementing the capital increase referred to in this resolution will rank for dividends *pari passu* and accordingly shall have the same rights pertaining to the ordinary shares in issue at the time of the issue.

The proposed amendment to the Articles of Association shall not give shareholders the right of withdrawal and is subject to the authorization of the European Central Bank.
